HawsGoodwin Ranked No. 2 on RIA Channel®'s List of Top 50 Emerging RIA Firms

Nashville firm recognized for their independence, their entrepreneurial spirit, and their ability to emerge as leaders in their field.

Franklin, Tenn. (December 9, 2020) – HawsGoodwin, a Nashville area Registered Investment Adviser ("RIA"), has been named No. 2 on RIA Channel®'s 2020 Top 50 Emerging RIA List.

RIA Channel ranked the firms in this year's listing based on proprietary criteria and data. Rankings are based on both size and growth in assets reported to the SEC as of October 31, 2020. Only wealth management firms growing at least 30 percent over the past five years, and have total assets under management of less than $500 million, were included in this year's Top 50 Emerging RIAs list. Founded in 2008 by Art Haws, CPWA®, CFP® and Cam Goodwin, CFP®, CPFA, HawsGoodwin provides financial planning and investment management services to wealthy individual investors and families, as well as small businesses and national enterprises. Services are delivered by way of an accessible, modernized format designed to seamlessly fit each clients' unique situation.

Art Haws, Chief Executive Officer of HawsGoodwin, said, "We are so pleased to see the name of our firm at the top of such a reputable ranking of RIAs. Growth, especially in a year like 2020, is not something we take for granted. However, our independence and drive for continuous improvement have enabled us to build a special kind of advisor-client relationship that is at the center of everything we do. We are grateful to be recognized for our efforts in the industry."

METHODOLOGY:

RIA Channel ranked the 2020 Top 50 Emerging RIAs using a proprietary set of criteria and data. The ranking is based on both size and growth in assets reported to the SEC as of October 31, 2020. Wealth management firms with negative disclosures on their ADV Part I were excluded. Wealth management firms that were growing 30% or more over the past five years, and had total assets under management of less than $500 million were included. RIA Database (RIADatabase.com) was used for regulatory data, growth data, organic research, and advisor surveys. We recognize these firms as leaders in their field and congratulate them on their success.
