Buckingham Advisors to Host Financial Webinar Series on Potential Impacts of the New Administration

Three-part series will focus on financial considerations, current trends, impact on financial markets, and the government's latest relief package

Dayton, Ohio [January 5, 2021] – [Buckingham Advisors](#), a comprehensive financial services firm with four locations across Ohio, announced a series of three upcoming webinars that will educate and inform investors and small business owners on potential impacts of the new Washington administration in 2021. Attendance is free but registration is required. Registrants will receive the webinar recording, so all interested in these important topics are encouraged to provide their name and email via the registration links below so that they automatically receive the appropriate replay link(s).

“In 2021, we will see a new Presidential Administration and continued Congressional debates,” said Jay Buckingham, Chief Executive Officer of Buckingham Advisors. “Our financial webinar series is designed to help investors and small business owners prepare for the new opportunities and challenges coming in the new year.”

The three-part financial series includes the following topics and presenters:

January 7, 2021 at 11:30 am EST (30 minutes long)

Key Financial Planning Considerations Under a New Administration and Congress

Presenter: [Nicole Strbich, Director of Financial Planning](#)

Topics of discussion:

- Coronavirus legislative relief for individuals 2.0
- Financial planning opportunities and potential challenges for 2021 and beyond

FREE RESOURCES AVAILABLE ON-DEMAND

In addition to the upcoming webinars, the [Buckingham Video Library](#) on the company's new and easy-to-use website provides advisors access to recorded webinars on a range of subjects. Buckingham's professional team conducts extensive market and investment research, and addresses numerous personal and business planning topics in these videos. The scope of the videos includes such topics as: PPP Loan information, grants available through the CARES Act, and ongoing financial trends and updates.

The new website also includes newly designed sections on Resources and Events, Market Insights, Client Portal, Online Payment Center, the latest article posts, and improved speed and navigation overall. Visit the new website at [MyBuckingham.com](#).

“The new website is our opportunity to provide visitors with a good experience and to clearly communicate the services we provide to help people achieve the best possible outcomes,” continued Buckingham. “The revisions to the website are designed to help visitors quickly and easily navigate to find the information they need.”
