Complimentary snacks and adult beverages will be served. Seating is limited due to Covid restrictions and a face covering is required.

Financial advisor Michael Scarborough has more than 39 years experience helping people prepare for retirement. His specialty includes active management of employer sponsored retirement plans such as a 401(k) or 403(b). Scarborough has been a media resource for over 20 years and is known for innovating the industry of managing monies for individuals in qualified plans.

Oak Wealth Partners uses the principles of a Nobel prize-winning investment theory for optimal diversification. The principles include structural analysis, asset allocation decisions, security selection decisions, reallocation and rebalancing, all supported by ongoing communication.

The new easy-to-navigate and mobile-friendly website provides insights on a wide range of timely financial topics, including the stock market, socially responsible investing, 401(k) and retirement planning, how to reduce business expenses during the Covid pandemic, and more.

“Our revised logo is a stylized illustration of an oak tree,” said Mike Scarborough, President and CEO, Oak Wealth Partners. “We chose the oak tree for our logo and our name because it has been a symbol of strength, knowledge, honor and longevity throughout history, and represents many of the things Oak Wealth Partners strives to be for our clients.”

“The new website is our opportunity to provide visitors with a good experience and to clearly communicate the services we provide that can help people retire in a financially stable position. The revisions to the website are designed to help visitors quickly and easily navigate to find the information they need.”
